Potencia expresada en HP/Power in HP

Factores de hileras múltiples <i>Multiple Line Factor</i>	
Hileras	Factor hilera
1	1.0
2	1.9
3	2.8
4	3.7

Esta tabla equivale a engranajes de una hilera de dientes, multiplicar por el factor de hileras múltiples para engranajes de mayor cantidad de hileras.

*The values shown above are for simplex sprockets. Use the multiple line factor according to the sprocket lines.*

4	3.7

Esta tabla equivale a engranajes de una hilera de dientes, multiplicar por el factor de hileras múltiples para engranajes de mayor cantidad de hileras.

*The values shown above are for simplex sprockets. Use the multiple line factor according to the sprocket lines.*

Potencia expresada en HP/Power in HP

Factores de hileras múltiples Multiple Line Factor	
Hileras	Factor hilera
1	1.0
2	1.9
3	2.8
4	3.7

Esta tabla equivale a engranajes de una hilera de dientes, multiplicar por el factor de hileras múltiples para engranajes de mayor cantidad de hileras.  
The values shown above are for simplex sprockets. Use the multiple line factor according to the sprocket lines.
